

Dulwich Wood Nursery School

SEND Information Report

Special Educational Needs and Disability (SEND)

May 2017

VISION/MISSION

Dulwich Wood Nursery is an inclusive school where there is a shared expectation that all pupils, regardless of their specific needs, should be offered inclusive teaching which will enable them to make the best possible progress in school and feel that they are a valued member of the wider school community. The range of support deployed will be tailored to individual need, following thorough assessments, internally or by external agencies. It is designed to promote pupils working towards becoming independent, courageous, resilient and ambitious learners.

WHOLE SCHOOL/SETTING APPROACHES

Information on policies, people and statutory guidance

The School's SEN Information Report should be read in consultation with other key school policies that are accessible on the schools website: Curriculum Policy, Safeguarding Policy, Behaviour Policy, Administration of Medicine Policy, Equalities Policy, and Policy for Intimate care.

Types of SEN, disability and medical needs

The Code of Practice 2015 states that:

'A pupil has SEN where their learning difficulty or disability calls for special educational provision, namely provision different from or additional to that normally available to pupils of the same age.'

Dulwich Wood Nursery School welcomes children with SEND in one or more of following areas identified within the SEND Code of Practice 2015:

| | |
|--|---|
| Communication and Interaction | <ul style="list-style-type: none">• speech articulation, stammering, speech and language delay/disorder, autism |
| Cognition and Learning | <ul style="list-style-type: none">• global learning difficulties, dyslexia, dyscalculia , dyspraxia, dysgraphia |
| Social, Emotional and Mental Health Difficulties | <ul style="list-style-type: none">• anxiety, depression, eating disorders, obsessive compulsive disorder, autism |
| Sensory and/or Physical | <ul style="list-style-type: none">• Visual impairment, hearing impairment, sensory needs (e.g. autism), toileting issues, physical disability |

❖ **Who are the best people to talk to in this school about my child's**

difficulties with learning/Special Educational Needs/Disability (SEND) or medical issues?

❖ How can I talk to them about my child if I need to?

Key Person

Recommended as the first point of contact if you have any concerns

Contacted by:

Speaking to them at the beginning or end of the session to make an appointment, or by telephoning the school office to make an appointment.

Responsible for:

- Home visits and settling your child in
- Recording your child's development in the Learning Journey Book, making assessments and tracking their progress.
- Meeting with you to discuss your child and identifying if your child may have any special educational needs
- Referring a child to the SENCo and SEND team for advice and/or extra support

Nursery SENCO – Ms Bellew

Contacted by:

Speaking to her at the beginning or end of the session to make an appointment, or by telephoning the Nursery Office to make an appointment.

Responsible for:

- Coordinating all the support for children with special educational needs or disabilities (SEND) and developing the Nursery's SEND Policy to make sure all children get a consistent, high quality response to meeting their needs in school.
- Ensuring that you are:
 - Involved in supporting your child's learning.
 - Kept informed about the support your child is receiving
 - Involved in reviewing your child's progress.
- Liaising with all the outside agencies that may be coming into school to help support your child's learning e.g. Speech and Language Therapy, Educational Psychology etc.
- Updating the school's SEND register (a system for ensuring all the SEND pupils in this school are known) and making sure that there are excellent records of your child's progress and needs.
- Providing specialist support for teachers and support staff in the schools so they can help children with SEND to achieve their best possible progress.

The Head Teacher Mr Lavelle

Responsible for:

- The day-to-day management of all aspects of the school, this includes the support for children with SEND.
- He will give responsibility to the SENCO and class teachers but is still responsible for ensuring that your child's needs are

| | |
|--|---|
| <p><u>Contacted by:</u> Speaking to him at the beginning or end of the school day to make an appointment, or by telephoning the school office to make an appointment.</p> | <p>met.</p> <ul style="list-style-type: none"> • Organisation of appropriate training in relation to SEND • Delegating Support staff to classes. • He makes sure that the governing body is kept up to date about all issues in the school relating to SEND. |
| <p>SEND Governor</p> <p><u>Contacted by:</u> writing to the SEND Governor via the school office</p> | <p><u>Responsible for:</u></p> <ul style="list-style-type: none"> • Supporting the school to evaluate and develop quality intervention and support for children with SEND. • Evaluating the impact of provision for pupils with SEND across the school. |

What support can be offered to help my child develop good learning behaviour and a sense of wellbeing?

Environment and reasonable adjustments

- The Nursery building is fully DDA compliant.
- Teachers adapt classroom layouts to cater for children with special needs and/or a disability.
- Assistive technology such as alternative keyboards, ipads is available.
- Modified resources are provided for children with visual impairment difficulties.
- Writing slope boards, writing grips, rocket pencils/pens, alternative scissors (e.g. loop scissors) use of 'wobble boards' or move 'n' sit cushions are available for children with dyspraxia or ADHD.
- The federation has an accessibility plan that is reviewed regularly for a copy please contact the School Office.

Transition Support

We recognise that 'moving on' can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

If your child is moving to another school:

- We will talk with your child to identify how they are feeling about the move and discuss with them how to make it as positive an experience as possible.
- We will contact the new school's SENCO and ensure that they know about any special arrangements or support that needs to be made for your child.
- Where possible we will support visits to the new school in advance of the move and in many cases

staff from the new school will visit your child in our Nursery.

- We will make sure that all records about your child are passed on as soon as possible

When moving classes in Dulwich Wood:

- Information will be passed on to the new class teacher in advance, and in all cases a planning meeting will take place with the new teacher. All targets and relevant information will be shared with the new teacher.
- You will be invited to meet with the new teacher to discuss your child and go through new targets set by the previous class teacher.
- If your child would be helped by a book to support their understanding of 'moving on', then it will be made for them

Intimate Care/Toileting Needs

- The Nursery has an Intimate Care Policy that sets out procedures that should be followed to support children who have toileting issues.

Medical Needs

- There is a separate policy and system for administration of medication
- There are care plans for pupils with medical needs
- Support staff assist pupils with personal care as specified by clinical plans
- There are the correct number of trained first aiders

Extra-Curricular Activities

The Breakfast and After School clubs are inclusive. Contact the school office if you are interested in a place for Breakfast/After School Club.

Behaviour Support

- Positive behaviour is modelled and highlighted by all staff on a daily basis
- Regular reviews take place with Parents
- Individualised positive behaviour systems are used for individual children with particular need
- Specialist Advice is accessed

Support for Improving Emotional and Social Development

- Ongoing, daily support for the children from all staff and specifically from their Key Person and/or 1:1 Teaching Assistant
- Children's Centre support and support from other external agencies is accessed for issues that impact on development of social skills and self-esteem

What are the types of support available for all children with SEND in this school?

| Types of support provided | What would this mean for your child? Who can get this kind of support? |
|--|--|
| <p align="center">Universal Stage High Quality Teaching</p> <p align="center">All children in school receive this</p> | <ul style="list-style-type: none"> • All staff will have the highest possible expectations for your child and all pupils in their class. • All teaching is based on building on what your child already knows, can do and can understand. • Teachers personalise learning by observing each child’s current interests and extending their exploration and understanding • Putting in place different ways of teaching so that your child is fully involved in learning. This may involve providing different resources adapted for your child. |
| <p align="center">Targeted School Support Stage</p> <p>Where the class teacher and the school SENCO, on the basis of high quality evidence conclude that a pupil needs additional support to be given in small, targeted interventions groups.</p> | <ul style="list-style-type: none"> • Your child’s teacher will have carefully checked on your child’s progress and will have decided that your child has a gap in their understanding/learning and needs some extra support to close the gap between your child and their peers. • The class teacher will plan with the SENCO interventions to support your child’s learning. These interventions will have clear targets to help your child make more progress. • Interventions may include small group work or individual sessions on a specific area of learning e.g. phonics or basic maths skills. • Where small group sessions are put in place they will be run by a Teaching Assistant using a recognised programme. • Parental knowledge and input is important to us. You will be asked to come to a meeting to discuss your child’s progress and |

Specialist SEND Support Stage

Where the class teacher and the school SENCO, on the basis of high quality evidence conclude that a pupil continues to need additional support given.

help plan possible ways forward.

- If requested, or the Class Teacher finds it necessary, a home/school communication book will be set up with targets to support home/school links.

- If, despite high quality teaching and small group targeted support, your child needs more specialist intervention, we will in discussion with you, request this support. We will request external agency support by filling in a CAF (Common Assessment Framework).
- Where specialist professionals work with your child to understand their needs and make recommendations, these may include:
 - Making changes to the way your child is supported in class e.g. some individual support or changing some aspects of teaching to support them better
 - Support to set targets which will include their specific professional expertise
 - Your child's involvement in a group run by school staff under the guidance of outside professionals e.g. Speech and Language Support.
- You will always be involved in decisions about how the support will be used and the strategies that will be put in place.
- You will be provided with the contact details for any agencies or services outside the school who are, or who will work with your child.

Professional Support/Outside Agencies include:

- Family Support
- Speech and Language Therapy (SALT)
- Educational Psychologist
- Autism Support Team Specialist Teacher
- Southwark Occupational Therapist Service
- Southwark Physiotherapist Service
- Southwark Sensory Services Team
- Southwark Hearing Support Service
- Southwark Visual Impairment Service
- Dyslexia Specialist Teacher
- Southwark School Nursing Service
- Summerhouse Pupil Referral Unit
- CAMHS
- Southwark Information Advice and Support Team (formerly Parent Partnership)
- Professional Training for school staff to deliver medical interventions:
 - Type 1 Diabetes
 - Epilepsy
 - Anaphylaxis
 - Emergency First Aid

Education, Health and Care Plans/Statutory Assessment

Specialist SEND Support Stage Education, Health and Care Plan

This means your child will have been identified by the class teacher/SENCO as needing a particularly higher level of individual and small group support which cannot be provided from the resources already delegated to the school.

- If, despite *High Quality Teaching*, the intervention groups and referrals to outside agencies to advise, and the support that the Nursery has provided from its own resources to enable your child to make progress, your child needs further or more specialist input, the school or you can recommend that the Local Authority makes a statutory assessment for an Education, Health and Care Plan (EHCP). This is a legal process and you can find full details about this in the Local Authority (LA) based Local Offer through the Southwark web site:
<http://localoffer.southwark.gov.uk/>
- This is done in full partnership with you and your child. After the Nursery has sent in the request to the Local Authority (with a lot of information about your child, including some from you), the LA will decide whether they think your child's needs (as described in the paperwork provided), are sufficient to need a statutory assessment.
- If this is the case they will ask you and all professionals involved with your child to write a report, to which your child contributes, outlining your child's needs and how they will be met and the long and short term outcomes that are being sought.
- If they do not think your child needs this, they will ask the school to continue with the SEN Support in Nursery and provide further support to you and the school to ensure your child's needs are met.
- After the reports have all been sent in, an EHC Plan to which you and your child will contribute will be prepared. It is called an Education Health and Care Plan because it brings together all of the educational health and social care needs that your child may have in one plan.
- The Nursery must make it best endeavours to put in place the support identified in the plan.
- The progress your child makes with the support identified will be regularly reviewed and changed according to the progress your child makes.

How will we support your child with identified SEND starting at nursery?

Children with SEND, where professional advice indicates that placement would be beneficial, are prioritised for admission.

- If your child has been allocated a place in our school and they have a SEND, please contact us as soon as you receive the offer as we may not have details of their needs at this stage.
- We will invite you to visit the school with your child to have a look around and to speak to staff and meet the SENCO and Class Teacher who will work with you and your child while they are at Dulwich Wood Nursery.
- If other professionals are involved, a Team around the Child (TAC) meeting will be held to discuss your child's needs; share strategies used, and ensure provision is put in place before your child starts.
- We may suggest adaptations to the settling in period to help your child settle more easily. These

will be agreed with you.

- Following the settling in period, the Class Teacher and SENCO will arrange an early meeting with you to review your child's learning and progress.
- The staff will then hold regular meetings in school to monitor the progress of your child and invite you into school at least once a term to review this with you.

How can I let the school know that I am concerned about my child's progress in nursery?

- If you have any concerns, we recommend you speak to your child's Class Teacher and Key Person initially, and at the earliest opportunity.
- If you are not happy that the concerns are being managed and feel that your child is still not making progress you should speak to:
 - **Miss Greenaway – Head of Nursery**
 - **Ms Bellew – SENCO**
 - **Mr Lavelle – Executive Head Teacher**
- You can see them at the beginning or the end of the school day to make an appointment or call the school office to make an appointment

How will the Nursery let me know if they have any concerns about my child's learning in school?

- Your child's teacher will contact you and the Senco if they have concerns. If you have raised the concern the school will invite you to discuss it and plan a way forward.
- At Dulwich Wood Nursery we have regular meetings between your child's Key Person and Class Teacher and a senior staff member, to ensure that all children are making good progress. This is another way your child may be identified as not making as much progress as expected.
- If your child is then identified as not making expected progress, the Nursery will make a decision about whether to monitor this or organise further support. The Nursery will inform you.
-
- If your child is still not making expected progress the Nursery will discuss with you:
 - Any concerns you may have
 - Any further interventions or referrals to outside professionals to support your child's learning
 - How we could work together, to support your child at home/school.

The Graduated Approach Cycle

Assess - Teacher assessment, tracking data, parents' views, the child's views, advice from external support services, who may also inform assessment. Assessment regularly reviewed to ensure support matches need.

Plan - Parents notified their child has SEN and is on SEN Support. Interventions and support put in place. Expected impact on progress and date for review agreed. Staff made aware of pupil's SEN and the approaches to use.

Do - The class teacher is responsible for working with the pupil on a daily basis. Teacher works closely with TA or specialist staff to plan and assess the impact of interventions. SENCO supports teacher in any further assessment of the child's strengths and weaknesses and advises on effective implementation of support.

Review Effectiveness of support and the impact on the pupil's progress are reviewed on agreed date with parents. Impact of support provided, along with parents' and pupil's views fed back into the analysis of the pupil's needs. Support is revised in light of the pupil's progress and development, and changes to support are made and outcomes revised.

How are the adults in nursery helped to work with children with SEND and what training do they have?

- The SENCO's job is to support the Class Teacher in planning for children with SEN.
- The Nursery has a Self-Evaluation Form and Action Plan, including identified training needs for all staff to improve the teaching and learning of children including those with SEND. This may include whole School & Nursery training on SEND issues or to support identified groups of learners in school, such as ASD, dyslexia etc...
- Whole staff training is organised by the Senco to disseminate knowledge, strategies and experience, to ensure consistency of the School & Nursery's approach for children with a SEND.
- Individual teachers and support staff attend training courses run by outside agencies that are relevant to the needs of the specific children in their class eg from the Speech and Language Therapist, Autistic Support or medical/health training to support staff in implementing care plans.
- Individual training for an identified staff member linked with the needs of a child with special educational needs and/or disabilities or identified through the Nursery's performance management process
- Training takes place on a regular basis. If you would like to hear about the training which is currently taking place or has taken place by the staff members in the school, please speak to Ms Bellew – SENCO.

How will the teaching be adapted for my child?

- Class Teachers plan activities according to the specific needs of all groups of children in their class, and will ensure that these are adapted to enable your child to access their learning as independently as possible.
- Specifically trained support staff can implement the teachers modified/adapted planning to support the needs of your child where necessary.
- Specific resources and strategies will be used to support your child individually, and in groups and in the classroom so that they can learn most effectively, and where necessary to be included in the full life of the Nursery.
- Planning and teaching will be adapted on a daily basis if needed to meet your child's learning needs and increase your child's access to what is on offer.

❖ How will we measure the progress of your child in nursery?

❖ How can I find out how well my child is doing in nursery?

- Your child's progress is continually monitored by their class teacher and Key Person.
- Assessment of your child's progress is shared with you by your child's Key Person at parent meetings every term. Children who receive SEND Support have targets which will be reviewed with your involvement, every term and the plan for the next term made.
- The Head of Nursery routinely monitors progress of all the children through lesson observations, learning walks, planning and book scrutinies and termly analysis of assessment data in order to identify that all children are making good progress.
- The SENCO will also check that your child is making good progress within any individual learning and in any group that they take part in.
- The progress of children with an EHC Plan is formally reviewed at an Annual Review with all adults, including parents, involved with the child's education.

What support do we have for you as a parent of a child with SEND?

- We would like you to talk to your child's class teacher regularly so we know what they are doing at home and we can tell you about what we are doing in school. This is to ensure that we are doing similar things to support them both at home and school and can share what is working in both places.
- The SENCO is available to meet with you to discuss your child's progress or any concerns/worries you may have.
- All information from outside professionals will be discussed with you by the person involved directly, or where this is not possible, in a report.
- Targets will be reviewed, where possible with your involvement each term.
- A Home/School contact book may be used to support communication with you, when this has been agreed to be useful for you and your child.

In addition:

- We regularly hold workshops for parents of all children in the school, for example in relation to reading, phonics or maths. We will be happy to discuss any necessary adaptations for your child.
- Targets will include ideas for how you can support your child at home, following the discussion with you.
- The external professionals involved with your child will be happy to meet with you on request.
- We will be happy to consider any ideas in order to support your child.

Information Advice and Support

If your child is undergoing statutory assessment for an EHC Plan you can access the Southwark Information Advice and Support Team (formerly Parent Partnership). They will ensure that you fully understand the process.

Southwark Information Advice and Support Team

0207 525 3104

sias@southwark.gov.uk

Information about Funding and Resources

The nursery is allocated a budget to provide for the educational needs of all children who attend.

SEND Budget

In addition, the Local Authority delegates specific funding to nursery to meet the needs of children with SEND based on social deprivation factors, the number of children who qualify for free school meals and children's prior attainment. This money is used to meet the additional needs of SEND children within the nursery.

This provision can take a number of different forms. Support can be provided through the allocation of staff, curriculum adaptation, grouping and assessment, as outlined above.

Children with EHC Plans

The nursery will finance the first £6000 of any EHC plan from the SEND budget.

The Local Authority provides some additional funding for children with Band 3 or 4 EHC Plans. mentioned above.

Support is provided for children with EHC plans as specified in their EHC plan. This provision is individualised to meet the child's specific needs and to achieve the objectives set out in their plan.

Pupil Premium

Pupil premium funding is also available to meet the needs of children entitled to Free School Meals or who are Looked After. 6 monthly PEP meetings for Looked After children will consider the provision and funding required to meet the needs of LAC children.

Use of funding

The Head of Nursery deploys support staff to classes to meet the needs of children. This is informed by data analysis taken from the nursery's schools assessment cycle and the needs of individual children identified with SEND.

External Agency/Specialist Provision

The Nursery liaises with the NHS Speech & Language service to access clinic support from Speech and Language Therapists with regards to the needs of children with speech and language difficulties.

The Nursery accesses support from the Early Help Locality team, which includes access to an Educational Psychologist, Education Welfare officer, Family Support Worker, Social Worker and Early Years Autism Service. Referrals can be made to the Early Help Team when further assessment or support is required for children.

The Common Assessment Framework (CAF) is used by the SENCO and Family Support Team Leader, and others when necessary to assess the needs of individual children and make appropriate referrals for specialist support. Most of these referrals are sent to the Early Help Locality Team.

We are committed to effective collaboration between all agencies working with a child and a multi-disciplinary approach to meeting children's special educational needs. Team Around the Child (TAC) meetings are organised to enable this. These meetings include parents and professionals involved with supporting children and families. We will actively support the establishment and maintenance of close links with all agencies working with children.

Provision Mapping

The provision organised to meet needs across the Nursery is set out within the Nursery's provision map. This is a working document that is adapted based on expertise and needs of children. The provision map is maintained by the SENCO.

Information on where to find further support

GENERAL SUPPORT

Southwark Local Offer: For further information about support and services for pupils and their families please visit the Southwark's Local Offer at the following website: www.localoffer.southwark.gov.uk

Southwarks' Information Advice and Support (SIAS) team (formerly called Parent Partnership) can provide support with understanding and accessing services available within the Local Offer. Please find more information at the following website address: <http://localoffer.southwark.gov.uk/information-advice-and-support>? You can email them at: sias@southwark.gov.uk or Tel: 0207 525 3104

AUTISM

National Autistic Society is the leading UK charity for people with autism and Asperger syndrome and their families. They provide information, support, pioneering services and run a number of campaigns to raise awareness. Website: <http://www.autism.org.uk/>

National Autistic Society Southwark Branch offer a support group which runs twice a month in quiet pubs in two different locations in the borough. It aims to provide emotional support in a friendly and supportive environment and to give information about local services.

Please see website for details of forthcoming meetings Pamela Douglas (Branch Officer)

Email: southwark@nas.org.uk Tel: 07747 768536

Resources for Autism provide a range of support services for both children/young people and their families including autism specific home/community support for all ages and autism specific parent/carer groups. They also offer autism specific play and youth clubs and holiday play schemes for children and young people aged 8-19 years old.

Website: www.resourcesforautism.org.uk Email: liza@resourcesforautism.org.uk Tel: 020 8458 3259

ADHD

ADDISS *The National Attention Deficit Disorder Information and Support Service* provide information and resources about Attention Deficit Hyperactivity Disorder to parents, sufferers, teachers or health professionals.

Website: <http://www.addiss.co.uk/about.htm> Tel: 020 8952 2800

The ADHD Foundation supports achievement, educational attainment, mental health and employability. The Foundation works in partnership with those living with ADHD, enabling them understand and manage ADHD. Website: <http://www.adhdfoundation.org.uk/> Telephone: 0151 237 2661

ALL DISABILITIES

Contact a Family is a UK-wide charity providing advice, information and support to the Parents of all disabled children, no matter what their disability or health condition. They enable Parent's to get in contact with other families, both on a local and national basis. The Southwark branch produces the **Grapevine Newsletter** outlining events and information for parents. Services include: drop in service at Sunshine House and selected children centres; phone advice 5 days per week between 9.00 am and 5.00pm; Helpline advice on specialist topics: education, welfare and benefits, housing; casework support to individual families; DLA workshops at Sunshine House; family-focused social events; coffee mornings and afternoons. For more information regarding Contact a family generally please see Website: <http://www.cafamily.org.uk/>

Details of the Southwark branch are as follows: **Cambridge House, 1 Addington Square, London SE5 0HF**, Email: southwark.office@cafamily.org.uk Tel: 020 7358 7799

KIDS: Is a charity that works with children and young people from birth to the age of 25 who are disabled; those who may have 'a physical, sensory or mental impairment (including mental health issues) which in creates barriers which hinder their full and equal participation in society.' Their work is also with the individuals who are affected by this situation (such as families and young carers). **KIDS London:** 7-9 Elliott's Place, London N1 8HX

Website: www.kids.org.uk Tel: 020 7359 3635

KIDS London SEN Mediation Service

is an independent disagreement resolution service that provides mediation meetings for parents of children with Special Educational Needs and their local education authority or the child's school when there is some kind of disagreement surrounding how best to meet those needs. Mediation is an informal, voluntary process where parties in disagreement meet together with an independent mediator.

Website: <http://www.kids.org.uk/Event/sen-mediation-service> Telephone: 0207 359 3635

Parents' Voices this is a Southwark Parent Carer's Council run by parents who have children with a disability.

Website: www.southwarkpcc.org.uk

Scope is a charity that provides free, independent and impartial information and support on the issues that matter to disabled people and their families.

Website: <http://www.scope.org.uk/> Email: helpline@scope.org.uk Tel: (call free on: 0808 800 3333)

DOWN SYNDROME

Down's South London (DSL), is a parent run charity based in Peckham that provides a free, unique early intervention therapy service for children (0-6 years) from South London. Assists their physical, language and emotional development. Email: gundy@dircon.co.uk Telephone: 020 7701 9521
