

# Made it to gold

(Remember to wait 4 beats when the beat starts)

You are on gold,  
That's what I've been told,  
So let's take a look,  
In the Golden Book,  
See your name there in the Hall of Fame yeah,

Been working hard,  
Been doin' what's right  
Been a super human bean all day and all night,  
You followed the rules,  
You did what you've been told  
We are so proud that you've made it to gold,

You made it to gold,  
you made it to gold,  
You made it to gold,  
you made it to gold,
