

The Power of Learning

F **C**
When I learn new things at school, I always use my learning tools,

C **F**
First I learnt my A B C, But I also learnt my B L P.

F **F** **C**
I say B for building, L for Learning, p p p p p p POWER!

Bb

You can't do a job without the right tools, But I've got lots from which to choose,

C
Empathy googles to help me to see, That life isn't always, just about me,

Bb
Seeing the links, making that chain, Collaborating teamwork, it's how we all train,

C
Perseverance, when, the going gets tough, Asking questions – there are never enough!
