## KS2 teacher for September

We are looking for a KS2 teacher to join our expanding school in September 2017. This post could suit an experienced teacher with a proven track record in delivering excellent results or an NQT with outstanding references.

Although you will be expected to work hard and be accountable for ensuring your pupils do well, we are still a fun place to work at! We have huge playgrounds, superb computer resources, a well-equipped Sports Hall, a pond, a lighthouse, four chickens and an emu - not forgetting to mention three hundred enthusiastic children and a friendly supportive staff.

Why not book a visit to the school before you apply? We are a one minute walk from Sydenham Hill railway station and just ten minutes from Gipsy Hill station.

Main Pay Scale (inner London) M1 – M6 £28, 098 - £38, 241

Closing date: Tuesday 21<sup>st</sup> February at 0900

Interview date: Thursday 23<sup>rd</sup> February

As a federation, we are committed to safeguarding. All applicants will be required to make an enhanced disclosure via the DBS.
