Part of a federation that builds on experience

Year 6 teacher for September

We are looking for an experienced Year 6 teacher to join our school in September 2017. Do you have a proven track record of delivering consistently strong results in Year 6? Are you looking for a change for the Autumn? If the answers are yes we would like to hear from you.

Rest assured, although you will be expected to work hard and be accountable for ensuring your pupils do well, we are still a fun place to work at! We have huge playgrounds, superb computer resources, a well-equipped Sports Hall, a pond, a lighthouse, four chickens and an emu - not forgetting to mention three hundred enthusiastic children and a friendly supportive staff.

There may be opportunities to take on coordination of a subject across the school as part of this role if you are looking for career development.

Why not book a visit to the school before you apply? We are a one minute walk from Sydenham Hill railway station and just ten minutes from Gipsy Hill station.

Main Pay Scale (inner London) M1 – M6 £28, 098 - £38, 241

Closing date: Wednesday 1st March at 0900

Interview date: Friday 3rd March

As a federation, we are committed to safeguarding. All applicants will be required to make an enhanced disclosure via the DBS.

Application forms are available by emailing ltaylor@dulwichwood.southwark.sch.uk or you can download them from our website: www.dulwichwood.com
