

A brand new app is launching in Southwark: **50 Things To Do Before You're Five**

50 Things is a menu of 50 low- or no-cost activities that help parents and carers develop their home learning environment, helping far more children thrive by the age of five.

As a result, more children develop the skills, language and resilience needed in school and beyond.

You can download from the Apple store and Google Play store.

Simply scan the QR code or search 50 Things To Do!
