Year 3

Learning Journey: Survival

OUR HOME LEARNING

This week we have been continuing finding out about Tranio and Livia's lives when Vesuvius erupted. We have planned and written what we think happens next, where they go and what they do.

In maths we have introduced perimeter and applied our measuring skills to find the perimeter of simple 2D shapes.

We have also been interpreting pictograms and answering one-step questions using the data presented.

In geography we have been finding out about how volcanoes are made.

OUR HOME LEARNING

Reading: All children are expected to read at least 20 minutes a day. Please encourage them to read with you and engage them by asking questions about the text.

Spelling: Year 3 have been given new spellings to learn- they are expected to complete the sheets and the activity on the back.

Maths: Children will need to practice their times tables and link the facts to division facts.

Learning Log: The children still have another week to complete their home learning task given to them last week. Please ensure that the children return their learning logs on Thursday 19th December.

OUR LEARNING TOOLKIT

We have been using our planning toolkit when writing about what happens to Livia and Tranio.

THANK YOU

A huge thank you to all who participated in this year's Winter Fair. It was so much fun to organise and so many people contributed that it really felt like the community event it was meant to be. Whilst keeping that in mind we also raised a whopping **£3,580!!** Special thanks to the Santa/Grotto Crew. The magic of Narnia was brought to Dulwich Wood by our wonderful creative team and a shout out to the main man Santa and his supporting elves.

Whether you ran a stall, folded raffle tickets, wrapped presents, had an estate agent board, gave a raffle prize, donated cakes/toys or just enjoyed it – thank you for your support.

SCHOOL COUNCIL

A BIG thank you from the School Council to everyone who has supported the Chose Love- Help Refugee charity.
