Year 3

## Learning Journey: A day in the Life of...

### Our Learning Journey

This week, in literacy, we have been imagining that we are Amelia Earheart after she has completed her record-breaking flight over the Atlantic, we have thought about what we would need to do to prepare, what we would see and hear on the flight and how we would feel. We included a dilemma to have that we resolved so that we were able to land safely.

In maths we have been practising the expanded written method for addition and have been doing very well, we are able to set the work out very neatly in columns to help us add. We also used this new strategy to solve problems.

We have also been thinking about our rights, as children, and the responsibilities that come with them.

### Home Learning

The children have another week for their learning log, finding out about a historical person. We would also like the children to bring in photos or pictures showing the people, places and things that make them happy for their happiness wall. The children need to keep practising their 2, 3, 4, 5- and 10-times tables.

### Our Learning Toolkit

The children used their imagination tool very well when planning and writing a journey flying across the Atlantic.

### Dates for your Diary

#### Natural History Museum Trip

Thursday 30<sup>th</sup> January

#### Half Term

Mon 17<sup>th</sup> Feb – Mon 24<sup>th</sup> Feb.

Children return to school:

Tues 25<sup>th</sup> Feb

#### KS2 Celebration Assemblies

Fri 31<sup>st</sup> Jan, Fri 14<sup>th</sup> Feb, Fri 6<sup>th</sup>

Mar, Fri 20<sup>th</sup> Mar

**mindopples**  
LOVE YOUR MIND

### Mindapples

In a Mindapple assembly this week a competition was launched. We discussed the health benefits of eating lots of vegetables and some children shared the positive effects they have experienced by eating more vegetables. Children who want to take part have to try as many different types of vegetables by the end of half term. They need to evidence themselves eating the vegetables with photos which they can print out or email to the office (with the subject heading 'MINDAPPLES' and Year Group) Children can also keep a vegetable diary. An extra challenge is for children to get more people in their family to eat more vegetables too. If you have any questions speak to Miss Lance (Year 2 Teacher).
