Year 6

## Learning Journey: A day in the Life of...

### Our Learning Journey

This week we have continued to learn about the Suffragettes. The children learnt about a lady called Chrystabel Pankhurst who was a member of the WSPU and fought hard for women's rights. The children used their empathy goggles to imagine what it would have been like for Chrystabel. They wrote their own diaries exploring the events that occurred leading up to Chrystabel being sent to prison. They thought carefully about how she would have been feeling and the impact that the events would have had.

In maths we have been consolidating our understanding of division through securing both the short and long methods. They thought carefully about what they might need to know to help them solve their problems efficiently. The children then demonstrated that they can apply these skills to a range of reasoning style problems.

In History, we have continued to explore the changing role of women throughout time. We explored the significant impact that WWI had on women and their rights and considered how they help to shape women's lives today. The children have thoroughly enjoyed exploring the changing role of women.

### Home Learning

Over the next two weeks the children have been asked to create their own heritage boxes for their learning logs. It will be great to share them in class!

As always, the children have been given a spelling rule to learn as well as an activity to complete. Please ensure this is completed and returned to school.

Continue to make sure that your children are reading every day for at least 20 minutes. Encourage them to fill in their reading records.

### Dates for your Diary

#### Citizenship Trip

Friday 14<sup>th</sup> Feb

#### Half Term

Mon 17<sup>th</sup> Feb – Mon 24<sup>th</sup> Feb.

Children return to school:

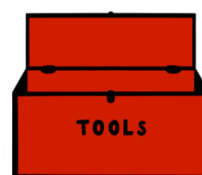

Tues 25<sup>th</sup> Feb

**Date change to Celebration Assemblies due to Whole School Trip (Y1-Y6) to Globe Theatre on Fri 28<sup>th</sup> Feb.**

**More details to follow next week!**

#### KS2 Celebration Assemblies

Fri 31<sup>st</sup> Jan, Fri 14<sup>th</sup> Feb, Fri 13<sup>th</sup> Mar, Fri 27<sup>th</sup>

### Dulwich Wood Learning Toolkit

### Our Learning Toolkit

We have a new look to our learning tools!

This week the children really demonstrated that they can ask really well

though out questions. When learning about the changing role of women throughout history they were very curious to find out more and understand why women faced this injustice.

Asking Questions
