

**Friday 7<sup>th</sup> February 2020**

**Year 1**

**Learning Journey: A day in the Life of...**

### **Our Learning Journey**

In maths we have been securing our understanding of 2D shapes, answering questions to explain what is the same or different about a shape e.g. what is the same/different about a square and rectangle? The children have been identifying and naming 3D shapes and finding everyday objects that are cubes, cuboids, spheres, cylinders, or pyramids. They have begun identifying the properties of a 3D shape by looking at the shape and amount of faces it has.

In our learning journey the children have been writing biographies about their friends. They asked each other questions to learn more about their lives. They then learnt some more facts about Mae Jemison and wrote a biography of her life.

We have been learning more about Hinduism this week. The children learnt about why Krishna is special to Hindus. They watched the story of Krishna and the butter and re-enacted it. They learnt about Puja and the special items used to worship. They learnt about what the Aum symbol means and made links with other religions.

### **Home Learning**

A new Learning Log sheet and spelling activity will be given out to each child today. Please complete these at home and continue to practise your spelling words each week and read for 10 minutes every day.

Can you go on a 3D shape hunt around your house? What 3D shapes can you find? How many cuboids, cubes, cylinders, spheres and pyramids are there?

#### **Dates for your Diary**

**Year 1 Trip - Greenwich Planetarium**

Wed 12<sup>th</sup> Feb

**Whole School Trip (Y1 – Y6): Shakespeare's Globe**

Friday 28<sup>th</sup> February

#### **Half Term**

Mon 17<sup>th</sup> Feb – Mon 24<sup>th</sup> Feb.

Children return to school:

Tues 25<sup>th</sup> Feb

**Reception & KS1 Celebration Assemblies**

Fri 6<sup>th</sup> Mar & Fri 20<sup>th</sup>

#### **Our Learning Tool Kit**

**Dulwich Wood  
Learning Toolkit**

We have been using our making links to find everyday 3D objects in and out of the classroom.
