Year 1

Learning Journey: A day in the Life of...

Our Learning Journey

- We completed our astronaut-themed learning journey with an amazing trip to the planetarium! We had a brilliant time, thank you to all the parents to volunteered to come.
- In literacy, we wrote a recount of our trip using time conjunctions.
- In Maths, we investigated number bonds to 20 using practical resources such as pencils. We recorded number sentences using + and =.
- In PSHE, we learned about changes that we can control and changes that are beyond our control. We thought about the best ways to deal with problems beyond our control and managing our feelings.
- In history, we wrote biographies of Mae Jemison and made a poster to showcase all of our learning from this topic.

Home Learning

- Please complete your learning logs over half term and return by **Friday 28th February**.
- Use household objects eg. counters, coins, pasta or grapes to find ways of **making 20**. Can you record as a number sentence?
- Practise your spellings and read your book for 10 minutes each day. Remember to fill in your reading record!

Dulwich Wood Learning Toolkit

Our Learning Tool Kit

In maths, we used our reasoning tool to solve missing number problems eg. $12 + \underline{\quad} - 20$

We had to use our existing knowledge of number bonds to help us find the answer

Reasoning

Dates for your Diary

Whole School Trip (Y1 – Y6):

Shakespeare's Globe

Friday 28th February

Half Term

Mon 17th Feb – Mon 24th Feb

Children return to school:

Tues 25th Feb

Reception & KS1 Celebration

Assemblies

Fri 6th Mar & Fri 20th

OPEN JAM NIGHT

£3 SUGGESTED DONATION

CALLING ALL MUSICIANS AND FANS

19th MARCH

ADULTS ONLY

7-11PM

MUSICIANS PLEASE EMAIL friendsofdwp@gmail.com for time slots
