Year 3

## Learning Journey: A day in the Life of...

### Our Learning Journey

This week we have been finding out more information about Mary Anning so that we can write a biography of her. We have also written a job advertisement for the Natural History Museum as they need a new palaeontologist. We thought about what their characteristics should be and what their duties would be.

In maths we have been practising the expanded written methods for multiplication and also practising our 4- and 8-times tables.

Today we are having our RE day and finding out about Sikh beliefs.

We are sharing our heritage boxes and are enjoying finding out all about what the children have been putting in.

### Home Learning

We have a new learning log this week where we would like the children to find out about an extinct animal.

- All children are expected to read at least 20 minutes a day. Please encourage them to read with you and engage them by asking questions about the text.
- Year 3 have been given new spellings - please complete the sheets and the activity on the back.
- Children will need to practice their times tables and link the facts to division facts.

### Dates for your Diary

**Whole School Trip: Shakespeare's Globe**

Friday 28<sup>th</sup> February

#### Half Term

Mon 17<sup>th</sup> Feb – Mon 24<sup>th</sup> Feb.

Children return to school:

Tues 25<sup>th</sup> Feb

In March the children will be taking part in a Ukulele concert at the Royal Festival Hall. Dates to follow.

**KS2 Celebration Assemblies**

Fri 14<sup>th</sup> Feb, Fri 13<sup>th</sup> Mar, Fri 27<sup>th</sup>

### Our Learning Toolkit

**Dulwich Wood Learning Toolkit**

We have been using our making links tool with the expanded written methods for multiplication. We made links with the strategies we used for addition and subtraction and with our multiplication tables.
