Year 3

Learning Journey: A day in the Life of...

Our Learning Journey

We have had our science week this week on our topic 'Rocks'. The children have really enjoyed making links with their learning about Mary Anning and our workshop during our Natural History Museum trip. We have been finding out about how different rocks are formed and how fossils are formed and have been testing the properties of different rocks.

We had a great session on Wednesday where we made dinosaur skeletons in pairs. We then took them apart for another pair to become palaeontologists and try to put them back together again. It was not very easy!

In maths we have been beginning to use the formal written method for division and we are needing to make links with our times tables facts.

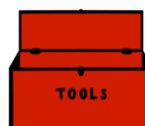

We really enjoyed sharing our Heritage boxes this week. Thank you for helping your child make them as they are very proud of their families.

Home Learning

The children have the half term to continue their learning log this week where they are finding out about an extinct animal.

- All children are expected to read at least 20 minutes a day. Please encourage them to read with you and engage them by asking questions about the text.
- Year 3 have been given new spellings - please complete the sheets and the activity on the back.
- Children will need to practice their times tables and link the facts to division facts.

Our Learning Tool Kit

Dulwich Wood Learning Toolkit

Collaboration

We have been using our collaboration tool in our science week when we worked together to test the different rocks and also when we were making our dinosaurs.

Dates for your Diary

Whole School Trip (Y1 – Y6):

Shakespeare's Globe

Friday 28th February

Southwark Music Ukulele Festival at the

Royal Festival

Wednesday 4th March

Half Term

Mon 17th Feb – Mon 24th Feb.

Children return to school:

Tues 25th Feb

KS2 Celebration Assemblies

Fri 13th Mar & Fri 27th Mar

OPEN JAM NIGHT

£3
