Learning Journey: A day in the Life of...

### Our Learning Journey

We have come to the end of our text, Tar Beach, which has seen us write our own versions of this wonderful story. We've used expanded noun phrases, adverbials, direct speech, subordinating clauses and varied our tenses to create juicy writing fit for publishing.

In maths we've reviewed and used our knowledge of addition and subtraction to reason mathematically like spotting errors and judging which calculations are easier and why...

### Home Learning

- **Learning Log**

Please continue with the Learning Log task which is due next Thursday.

- **Reading**

Your child should be reading at least 20 minutes a day and should be able to answer questions about what they've read. Rereading texts will support fluency and speed. Reading is the heart of learning, it opens us to new ideas, vocabulary and supports our own ability to communicate effectively. Please make time.

- **Maths**

Apart from TT Rock Stars, get your children to guesstimate your shopping list, add up the totals for a trip, guess how much money they have left over after spending X amount. How much farther have you to travel?
