KS1 & KS2 Class Teacher

We are looking for a KS1 & KS2 teacher to join our school in September 2020. This post could suit an experienced teacher with a proven track record in delivering excellent results or an NQT with outstanding references. We are committed to continued professional development and providing opportunities for teachers to develop their leadership skills through various subject coordinator roles.

Although you will be expected to work hard and be accountable for ensuring your pupils do well, we are still a fun place to work at! We have an inspiring curriculum designed to motivate and enthuse children's passion for learning. In addition to that we have huge playgrounds, a well-equipped Sports Hall, a pond, a lighthouse, guinea pigs, rabbits and an emu - not forgetting to mention more than three hundred enthusiastic children and a friendly supportive staff.

NQTs at Dulwich Wood are fully supported by the leadership team, and have access to the full Southwark Support Programme.

We are one minute's walk from Sydenham Hill railway station and just ten minutes' walk from Gipsy Hill station.

Main Pay Scale

Closing date: Wednesday 25th March @ 5pm

Interview date: Tuesday 31st March

We hope that you will be able to visit our school and see our wonderful provision prior to interview. Please contact Lucia Taylor (Business Manager) on 0208 670 5470 to arrange a suitable time.

As a School we are committed to safeguarding. All applicants will be required to make an enhanced disclosure via the DBS.

Application packs are available from the Primary School Office or from our Website
