

## Dress up

Encourage your child's imagination with pretend play and dress up activities

### You don't need to buy expensive readymade costumes

#### Fabric, blankets, towels and sheets

A piece of fabric, a towel or a sheet can be absolutely anything your child imagines:

- Cape,
- Shawl,
- Knight's banner
- Magic carpet.

#### Hats, Gloves and Scarves

Provide old hats, gloves and scarves to get into character and go on adventures.

#### Assorted Bags

providing different sized bags. A very large beach bag is great to sit in.

**Simple Props from around the home** A kitchen colander would make a great helmet. A wooden spoon could be a sword or magic wand.

**Clothes** Look in your wardrobe for things your child can dress up in. An old jacket, shirt, dress and apron. **If things are too long simply tie the bottoms to avoid a trip hazard.**
